REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

John E. Ewing Middle School has made continuous improvement over the past four years in academic achievement, attendance, and behavior. Students are challenged to come to school every day, make good grades, and maintain good behavior. At the beginning of the year, students learn the school-wide discipline matrix for expected behavior in each location in the school. They learn to S.O.A.R. (Show respect, On task, Always safe, and Responsible) as Ewing eagles should. They carry a SOAR card with them at all times, on which any teacher or adult can give them marks for positive recognition or for redirection. With marks for positive recognition come rewards. Single gender classes continued to be offered in sixth grade to promote achievement and confidence. This year, every math class at Ewing had access to a computer program called First in Math where our students worked more math problems than any other school in the state. Eighth graders visited local college campuses and the Cherokee Technology Center to experience career planning. Many students took advantage of opportunities to make up absences from school. Our Parent Teacher Organization/School Improvement Council played a key role by helping us offer students rewards and after school activities. Teachers enjoyed staff development sessions scheduled during their lunch time. Students at John E. Ewing Middle School are expected to continue to work hard and to improve in the areas of achievement, attendance, and behavior.
